Live, love, laugh, leave a legacy.

From the Principal's Pen . . .

Parents, we appreciate the opportunity you have given us to do our part in inculcating leadership principles in your children and helping them build strong academic and moral foundations to support the remainder of their life's journey.

I want to take this opportunity to commend our administrators, teachers, staff and students who, together, have once again set a standard of excellence in education, leadership, sports, the performing arts and civic engagement. I believe that our collective efforts have yielded impressive national examples. We have indeed truly reached a level of significance in the educational arena of The Bahamas.

This year has definitely been an eventful and successful one! On behalf of the school's Administration, it is our wish that the entire Q.C. Family will have a safe and restful summer holiday. A sincere THANK YOU to all of our teachers, support staff, parents, students and friends who have worked together this past year to ensure another successful school year. Thank you for your continued support.

We wish to say farewell and thank you to those members of staff, who will not be returning in September. We wish you all of the best for the future!
